

Anvil International
Pipe fittings, hangers, connections and supports

Flexitallic
Commercial and industrial gaskets

Apollo Valves
Ball valves for commercial and industrial applications

Gasoila Chemicals
Industrial thread sealants

Bebitz
Carbon steel, stainless steel and alloy steel flanges for the refinery industry

Gibson
Residential and light commercial HVAC equipment - Made in Missouri

Boltex
American made precision forgings and flanges for the refinery industry

Gruvlok
Mechanical grooved system for steel and copper tubing

Charlotte Pipe and Foundry Co.
PVC Schedule 40 and Schedule 80 pipe and fittings

Hackney Ladish
Weld fittings for the refinery industry

Cooper B-Line
Support systems and enclosures

Ipex
Thermoplastic pipe and fittings for commercial and industrial applications

Erne Fittings
Butt-welding fittings for the refinery industry

Keckley
Pipeline strainers, check valves, control valves and pump accessories

Flex-Hose
Flexible pipe, hoses and fittings, control units, expansion joints, alignment guides

Lochinvar
High efficiency water heaters, boilers, pool heaters, storage tanks and commercial solar systems

Mammoth
Rooftop units up to 15 tons -
Made in Missouri

Spears
PVC and CPVC pipe; fittings and valves

Merit Brass
Stainless steel and brass nipples
and fittings

Spirax Sarco
Steam system products including steam
straps for condensate recovery, boilers and
pipeline control valves and regulators

Milwaukee Tool
Electric and cordless power tools

TracPipe
Flexible stainless steel piping material used
for natural gas and propane installations

Milwaukee Valve
Commercial and industrial valves

Uponor
PEX piping products for plumbing, and
radiant systems

Mueller Industries
Copper tube and fittings; line sets

Viega
Pressed copper and stainless systems
(up to 4") for compressed air, natural gas,
palatable water and other commercial and
industrial applications

Oatey
Solvent cements for plastic pipe
and fittings; solder and flux for
copper tube

Parker Transair
Quick connect piping for
compressed air

Watts
Backflow preventers, regulators, PRVS and
other water quality products

Ridgid
Tools for pipe fabrication and
construction

Weldbend
Domestically manufactured carbon steel
butt-weld fittings & flanges 1/2" - 60"

Rotex
Rack and pinion actuators, automated
controls and valve automation

Wheatland Tube
Carbon steel pipe

Samsung
Residential and commercial
mini-splits
